Announcing our 2022–2023 Funded Projects and Awardees:

Library Cozy Corner (High School—Joanna Arkans)

A low-tech space for students to relax and enjoy low-stress, screen-free activities in the library

Outdoor Reading Space (Lenape—Kristian Anderson)

Flexible seating arrangements meet the needs of all students which will improve focus, production, and collaboration

Garden Renovation (Lenape—Jim Longbotham)

Durable garden bed redesigns used throughout the year provide a “fertile ground” for engaging, hands-on experiences for students

Art Printers (High School—Brennan Woods)

High quality inkjet printers, drawing tablets, and cutting plotter support students in visual and media arts, as well as the production of promotional materials for student activities

Classroom Sensory Bins (Duzine—Renee Reynolds)

Sensory tools help students manage and regulate their emotions and sensory needs so they are more available to engage in learning

Congratulations to all our awardees this year!
